Phone: (888) 587-9438 Fax: (866) 827-8188 [BonivaReimbursement.com](http://BonivaReimbursement.com)

## Boniva Reimbursement is a free program for you from Genentech.

We work to help you pay for your Boniva® (ibandronate sodium). We can help in many different ways. We assist people who have a health care plan as well as those who don't.

If you don't have a health care plan, or your plan won't pay for your Boniva, we might be able to help. If you meet certain financial and medical standards, we can supply free medicine. This is done through the Genentech® Access to Care Foundation (GATCF).

For us to help, we need to look at, use and disclose your personal health information (PHI). Your doctor and health care plan may disclose your PHI to us only with your written consent. Once you sign this form and it is sent back to us, we can start to provide these services. We can provide you with a copy of this release. You need to ask us for this first before we can send the copy back to you.

**You do not have to agree to this authorization.** But we cannot provide our services without your consent. This means you might need to pay for certain medicines on your own.

PLEASE READ THROUGH THIS FORM CAREFULLY. IF YOU HAVE ANY QUESTIONS, TALK TO YOUR DOCTOR'S OFFICE OR CALL US AT THE PHONE NUMBER LISTED AT THE TOP OF THIS PAGE.

## 1. Information to Be Disclosed or Used
